**Form 3**

**Travelling independently to and from school**

Our school has a duty of care to work with parents to ensure that children are safe on their journeys to school and after school. We are not responsible for children's safety once they leave school but we do have a duty of care to work with parents and carers to ensure that our children are safe. It is an essential part of our safeguarding policies.

It is the parent's/carer's decision when they feel their child is mature enough to be able to do this; we believe children should be KS2 (Year 3, 4, 5 and 6). The school requests that parents and carers who would like their child to be released from class independently complete the permission form below.
